COMBINED TYRE & ALLOY WHEEL INSURANCE

ALLOY WHEEL INSURANCE

Alloy wheels are a valuable part of your vehicle. Damage caused by kerbs can be a frustrating common occurrence, leaving your wheels damaged and unsightly.

The Auto Group Corporate have created a protection to help you keep your wheels in pristine condition. Policies are available for up to 3 years and entitle you to a maximum of 10 claims for the duration of the product. The maximum claim limit for this policy is £150 per individual claim.

As a result you can ensure your vehicle continues to look its best and protects the resale value of the vehicle.

TYRE INSURANCE

Replacing a damaged tyre on your vehicle can be costly and it is particularly annoying if that replacement is due to no fault of your own.

With Tyre Insurance you can protect yourself against such unexpected costs with no excess to pay. Tyre Insurance covers both accidental and malicious tyre damage. Choose the right level of cover to suit your needs, with cover available for up to 3 years.
