Vehicle Warranties

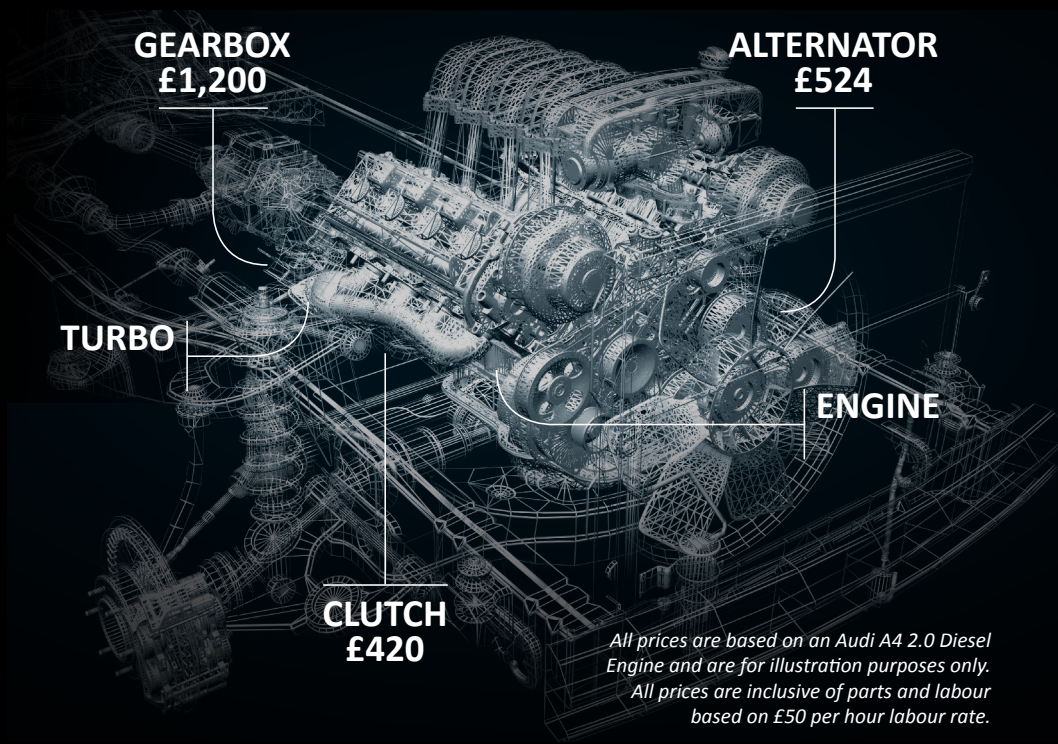

WELCOME TO THE AUTO GROUP

When we created our market leading clear cover warranty, we had the customers at the centre of our philosophy. The clear cover is designed to give the maximum protection possible from the inconvenience and frustration caused by a breakdown. We believe that all claims must be dealt with in an effective and professional way buy our

highly trained and friendly team.

The clear cover claims team will get you back on the road as quickly and easily as possible. Our excellent customer service is underpinned by the values of fairness and common sense, providing customer focussed solutions rather than seeking loopholes.
