THE COMPLETE BREAKDOWN SOLUTION

The Autogroup are not offering silver, gold or platinum grades of cover at varying prices and confusing service levels, we think we provide something much better than that. We are quite simply delivering the quality and efficiency of service that meets the needs and expectations of motorists with just one level of service for all vehicles up to 3.5 tonnes.

Including home start, and free hire car where appropriate, The Auto Group Road Rescue scheme covers the inability to use a Vehicle as a result of mechanical / electrical breakdown, accident*, vandalism*, fire*, theft* or attempted theft*, puncture of road tyres, lost or misplaced vehicle keys, flat battery, having no fuel or misfuelling.

In the event of Misfuelling, the cost of repairs will be covered up to a maximum of £1000 to include draining of contaminated fuel, replacement with the correct fuel, and cleaning or replacement of affected parts. (Available at an additional cost)

ADDITIONAL BENEFITS WE PROVIDE AS STANDARD

- A smartphone app allowing easy and direct contact with us when a problem arises.
- Fully trained and experienced staff to take your call 24/7.
- A message relay service to explain your delay.
- A legal support helpline.
- With 831 locations across the UK, we will not offer excuses, only deliver the service that puts motorists needs first.

*We can arrange to recover you but you may be responsible for any costs involved should we be unable to receive payment from Your motor insurer on presenting our invoice to Your insurer for these costs. (e.g. where you do not submit a claim to your motor insurer or have a third party only policy)
